MUR # 7096

I urge the FEC to investigate the recent allegations that the Presidential campaign of Donald J. Trump illegally solicited donations from politicians and office-holders in other countries, including the United Kingdom and Australia.

The allegations were part of reporting by the Talking Points Memo web site and the Washington Post on 06/29/2016. The report on TPM included an image that shows the alleged solicitation under a TRUMP MAKE AMERICA GREAT AGAIN letterhead, and tweets from foreign politicians that confirm that the solicitations had been made.

Thank you in advance for your assistance.
